

COOKIE POLICY

Last updated: 25 November 2024

We use cookies on this website.

What are cookies?

A cookie is a small text file that our website requests to be saved on the visitor’s computer, tablet or mobile phone.

Cookies can be stored in two ways. Session cookies are temporarily stored on your device when you visit our website and are deleted when you close your web browser. Persistent cookies are stored on your device for a specific period of time or until you delete them. Furthermore, cookies can be divided into first-party cookies, which are placed by us, and third-party cookies which are placed by someone else. Our website uses both types.

For more general information on cookies, please see <https://www.aboutcookies.org/>.

Strictly necessary and other cookies

Cookies that are strictly necessary for our website to function cannot be deactivated via our cookie-settings. We have a legitimate interest to use these cookies for purpose of providing our website and ensure the security of our network.

Other cookies, for example those used for marketing purposes or to analyse how you use our website requires your consent. These cookies are deactivated by default.

Below you will find detailed information about the types of cookies used on our website, what information is collected and for what purposes, storage periods and whether information is disclosed to third parties.

Strictly necessary cookies (does not require your consent)

Name	Data and purpose	Storage period	Provider
1.gif	Used to count the number of sessions to the website, necessary for optimizing Consent Manager Platform.	Session	Cookiebot

How you manage cookies

You can remove or limit our use of cookies in the following ways:

- By not consenting to the placement of cookies that are not strictly necessary. These types of cookies are disabled by default on our website.
- By blocking cookies via settings in your web browser. Please note that if you block strictly necessary cookies, parts of the website will not work.
- By deleting permanent cookies stored on your browser after your visit to our website.
